Micro Pocket™ Drill Guide

Item #KJMICRODGB

Perfect for 1/2" material where smaller Pocket-Holes are needed

Works with all of our Kreg Jig® & Kreg Jig® Master Systems

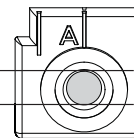

Micro-Pocket Drill Guide

1-5/16"

19/64"

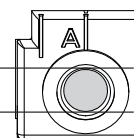

Standard-Pocket Drill Guide

1-9/16"

3/8"

The Micro Pocket™ Drill Guide allows woodworkers to drill a Pocket-Hole which is 25% smaller than our standard Pocket-Holes

Our new Micro Pocket™ Drill Guide allows woodworkers to drill a Pocket-Hole which is 25% smaller than our standard Pocket-Holes and is perfect for use with 1/2" material. The smaller Pocket-Hole and shorter 3/4" Pan Head screws work to secure thinner materials and still keep the head of the screw below your finished surface, while at the same time easing the drill stroke, and creating smaller more low-profile Pocket-Holes for every day use.

- Smaller Pocket-Hole is less noticeable on exposed joints
- Easier Drill Strokes
- Drill Guide works in the Kreg Jig® or Kreg Jig® Master System
- Removable design is perfect for repairs and job-site joinery
- Black color makes it easy to differentiate from the Standard Drill Guide
- Hex-Shank Micro Pocket Drill Bit is Quick Change compatible
- Features full compatibility with Spacer Blocks
- Micro Pocket™ Drill Bit and Micro Pocket™ Depth Collar are included
- Lifetime Warranty

Micro Pocket™ Drill Bit

Item #KJD/MICROBIT

Features

- 5/16", one piece design constructed from the same hardened steel as our standard bits
- Features hex shank for compatibility with standard and quick-change chucks
- Hex shank provides improved drilling torque, prevents chuck slippage

Micro Pocket™ Depth Collar

Item #KJSC/MICROBIT

Features

- Original part replacement; piece often gets lost
- Constructed from same durable material as standard size depth collar
- Comes with required allen wrench

Kreg 3/4" Pocket-Hole Screws

Item #SPS-F075-100

Item #SPS-F075-500

Item #SPS-F075-1000

Item #SPS-F075-5000

Features

- 3/4" Screw length designed exclusively for Micro Pocket™ system
- Shorter screws allow for Pocket-Holes to be placed deeper, creating a pluggable Pocket-Hole in 1/2" material
- Available in 100 ct., 500 ct., 1000 ct., and 5000 ct. packages
